DEVELOPMENT of 'SAMOA REGISTRY' for FOREIGN VESSELS

REQUEST FOR EXPRESSION OF INTEREST

For Recognised Organisation (s) to provides Maritime Technical Support to
the Ministry of Works, Transport and Infrastructure ('the Ministry')
for the establishment of the Samoa Registry

The Government of Samoa has given the opportunity for the development of the National Maritimes industry with the Approval of the Foreign Vessel Registration. Pursuant to Part III of Samoa's 'Shipping Act 1998', the closed Registry will be administered by the Ministry which is Samoa's Maritime Administration and Safety Authority with specific technical services to be provided by the appointed Recognised Organisation(s).

The required services of the Recognised Organisation (s) will include, but not limited to:

1. Conduct pre-registration surveys and report to the Ministry in Samoa
2. Conduct audit (s) and any other form of safety inspection (s) as may be required to ascertain the safe conditions of vessel (s)
3. Issue relevant certificates in respect of applicable IMO Conventions subject to approval by the Ministry
4. Report to the Ministry any vessel (s) with irregularity that may require immediate safety inspections and corrective actions
5. Promote the Flag of Samoa with the shipping industry worldwide and the development of the national industry

We now invite eligible organisations to indicate their interest in providing the above services. Interested organisations must provide information indicating that they are qualified to perform the required services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills amongst staff, etc.)

The Organisation(s) will be selected in accordance with the Government of Samoa's Procurement process for Selection and Employment of Consultancy services.

Expressions of interest must be delivered to the address below by Monday, 19th June 2017 at 11.00 am local time;

The Chief Executive Officer/Secretary for Transport
Ministry of Works, Transport and Infrastructure
Level 4, TATTE Building
